

Dear Parents

There are a few remaining places on the Easter Revision Academy taking place from Monday to Thursday during the Easter half term. If your child wishes to attend, please ensure they return their booking form by tomorrow morning at the latest.

Students will not be allowed off-site during this time. If students go off site, they will do so at their own risk. They will not be allowed to return for further days of the Easter Revision Academy. No excuses.

- Students must take their lunch in to the dining hall
- They must not leave the school site at any time during the day. This is to ensure that we have a current register who is on the school site. The penalty for breaching this rule will be that they are not allowed to attend any further sessions. Please make sure you tell your child about this.

The school behaviour policy still applies at all times.

No timewasters

Any students deemed to be distracting or falling short of the high expectations will be sent home.

The College has funded this four extra days of education. In many schools, parents are charged a large sum for this provision of revision. Therefore, if this is in any way misused, then your child will be sent home.

Thank you for encouraging your child to attend and ensuring that they here for the remaining days for revision to be effective. I also will say a huge thank you to the teachers and other staff who are so committed to our students.

Your sincerely

Ms J Byrne
