

## AS Summer Homework 2018

### Decorative Architectural features

Complete these tasks ready for developing samples when you return in the new term.

**Task one:-** produce **two A3** mood boards based on **one** of the following themes to explore the meaning of your topic:-

- \*Decorative Architectural features
- \*Natural Forms
- \*Cultural Inspiration

The background should be totally covered for maximum impact, see the examples and include the following :-

- \*Photographic research
- \*Fashion & interior textile images
- \*Annotation.

### Natural Forms

**Task two:-** Complete detailed contextual research as a Power-Point include the following:-

1. Start by explaining what your chosen is theme and what your aim is; i.e. what you want to find out or explore by doing this investigation.
2. Collect images of the type of final product you would like to make; e.g. interior textiles, fashion product (Look at Haute Couture as it is most creative and inspiring), fashion accessories; or a textiles art piece. Take into consideration that you can have help from your teacher on your personal investigation final piece.
3. Collect images of other contextual sources; e.g. historical images, vintage wallpapers etc if applicable.

### Cultural Inspiration

4. Collect images of artists'/ designers' work to inspire you. Aim for about 6 images and biographical information. This will need to be written into your own words. (Minimum of 2 artists). Explain what you like about the artists' work.

5. Collect images/photos of:-Secondary sources of clear references (subject matter) to develop in the style of your chosen artist/ designer. \*

\*Collect clear primary information and photos yourself. Consider where and how you will do this; trips, galleries, exhibitions, fetes. What could you take photos of to inform your project? Take a camera if you travel over the summer. You will need photos to develop your samples from
